# PREVENT MASS VIOLENCE

In bid to prevent mass attacks, Behavioral Analysis Unit asks public to 'talk to someone you trust' if you notice concerning behaviors.

Together We Can

Learn more at [fbi.gov/prevent](https://fbi.gov/prevent)

A public service announcement from the FBI's Behavioral Analysis Unit encourages people to pay attention to signs that may show someone is potentially on a path to committing mass violence and to report the behavior to someone they trust who can help.

Click the link to learn more.

Threat assessment team uses integrated approach to discuss, evaluate cases that could—if ignored—devolve into acts of mass violence.

## TEAM APPROACH TO KEEPING POTENTIAL ATTACKERS OFF 'PATHWAY TO VIOLENCE'

## NATIONAL SUMMIT ON **K-12 SCHOOL SAFETY AND SECURITY**

This virtual event brings together K-12 school leaders and practitioners to discuss and share actionable recommendations that enhance safe and supportive learning environments. The 2024 Summit will feature panel discussions, sessions and keynote speakers covering topics such as:

- Understanding and Preventing Youth Violence
- Emergency Planning and Safety
- Intervention Strategies to Support Students
- K-12 Cybersecurity Best Practices
- Online Safety Practices for Youth
- Supporting Student Mental Wellness

## SchoolSafety.gov Back-to-School Campaign

Explore resources to help prepare for a safe return to school.

SchoolSafety.gov's Back-to-School Campaign highlights resources and guidance that K-12 school leaders, educators, staff, and parents and caregivers can use to help prepare for a safe return to school. The campaign aims to empower K-12 communities to use SchoolSafety.gov tools and resources before, during, and beyond the back-to-school season to create and sustain safe and supportive learning environments for students and educators.

### [SchoolSafety.gov Launches Back-to-School Campaign](#)

As part of the campaign, SchoolSafety.gov released two new infographics: a [Back-to-School Checklist](#), which outlines seven actions that can help inform comprehensive school safety programs, and a [Back-to-School Reading List](#), which offers ten resources that provide guidance and insights on timely school safety issues. SchoolSafety.gov has also developed a [communications toolkit](#) to help members of the K-12 community share information about the campaign and its resources. All materials can be accessed through the [campaign webpage](#).

# The NEA School Gun Violence Prevention and Response Guide

## Four Phases of Work to Address Gun Violence in Schools

<u>PREVENT</u>	<u>PREPARE</u>	<u>RESPOND</u>	<u>RECOVER</u>
Understand Guns in Schools ***	Adopt Evidence-Based Approaches to Security ***	Know How to Talk with Students about Gun Violence ***	Understand Gun Violence Trauma ***
Consider ACES, Trauma, and Toxic Stress ***	Examine School Policing and Active Shooter Drills ***	Support College Students after Gun Violence ***	Communicate Supportively ***
Apply Evidence-Based Prevention Strategies ***	Understand, Assess, Improve, and Work with Emergency Operations Plans ***	Implement Successful Communication Strategies ***	Provide Care and Support ***
Foster Safe and Supportive Schools ***	Put the Pieces in Place to Facilitate Response and Recovery	Respond in a Deliberate, Effective Manner	Foster and Rely on Community Partnerships ***
Implement Education and Advocacy Strategies ***			Evaluate and Improve Your Incident Response
Carry Out Plans to Prevent Gun Violence

# ADDITIONAL TRAINING OPPORTUNITIES

[Creating a Culture of Support: Enhancing Staff Resilience in Emergency Situations](#) (September 12) – This webinar, hosted by the National Center for School Safety, will provide information on improving systems around emergency drills through tailored training, gathering staff feedback, and identifying local resources. Participants will learn how to customize training for their districts, lead effective feedback sessions, and implement changes based on staff input.

[Enhancing School Safety Using Behavioral Threat Assessment](#) (September 12, November 20, January 15) – These virtual training events, hosted by the U.S. Secret Service National Threat Assessment Center (NTAC), will highlight key findings and implications from NTAC's research on school violence prevention. This training will also provide guidance on how schools may develop or improve existing violence prevention programs utilizing a behavioral threat assessment model.

[Preventing Mass Attacks in Our Communities](#) (October 1, December 18, February 19) – These virtual training events, hosted by NTAC, will cover findings from NTAC's research on mass attacks perpetrated in public and semi-public spaces, including businesses, houses of worship, schools, and more. This training will also provide guidance on how communities may develop or improve existing violence prevention programs utilizing a behavioral threat assessment model.
